## **APPLICATION FOR GRANT FUNDING**

- Anyone can apply for a grant as long as the funds will be used for goods or services that enrich the education of students in Sandwich C.U.S.D. #430 during the next school year.
- **The grant application deadline is May 31<sup>st</sup>.**
- Please complete every section of the application to the best of your ability and include as much information as possible. This helps the trustees when making their decision.
- All grants received by the deadline will be reviewed during the summer and you will receive a letter in the fall informing you of the results of your grant application.
- During the review process, trustees will consider applications based on their merits and the impact the funds will have on the students of Sandwich C.U.S.D. #430.
- After reviewing a grant application, the SEF trustees will vote on whether or not to approve the full amount of the grant or only cover a portion of the grant.
- Ultimately, some grant applications will be denied. A denial is not necessarily a reflection on the merits of the proposal. The grant process is highly competitive and funds are limited.
- Denied applications do not carry over from one year to the next, but you are welcome to reapply the following school year.
- If you have any questions, please contact the SEF trustees at: [sefsandwich@yahoo.com](mailto:sefsandwich@yahoo.com)
- There are two ways to submit your completed grant applications to the SEF:
  - Mail the application to P.O. Box #44, Sandwich, IL 60548 (Must be postmarked by 5/31)
  - Send the grant application to Mike Butler at SMS. (Must be received by 5/31)
