

YEARBOOK NEWS!

We are counting this year down!

The staff is right in the midst of making deadlines, designing senior ads, and making the final push of book sells. Our goal is to sell another 200 books in the next two months.

WHY BUY A BOOK?

- o Staff members are getting more students in the book than ever before. Due to a creative use of page numbers, more students are being included than ever before!
- o We are doing some creative coverage. This is not the same old book!
- o More **color** pages than ever before!
- o Our theme is all about making this year count. We have counted some amazing things here at Sandwich High School!
- o We have great sports photographs this year! Some of the new staffers have talent when it comes to shooting action.
- o When everyone is signing each other's yearbooks, you don't want to be left out!

SENIORS:

The deadline for the senior ad page has been extended to January 31. Forms are available in the main office.

TWO WAYS TO BUY YOUR YEABOOK:

1.) Pay with cash or check payable to Sandwich High School. The cost is \$40. Bring your payment to the athletic office and you will receive a receipt. You can also choose to add your personalized name to the book. The cost for this is \$5.00. Please fill out the form below.

2.) Would you like to pay for your yearbook online using a credit or debit card? Use the secure site of our yearbook company to place your order online:

<http://www.walsworthyyearbooks.com/community.html> (Scroll to bottom of screen.)

At this website, you can choose to personalize the yearbook with your student's name, and up to five icons. The icons can indicate the activities of your student (for example: a football, comedy/tragedy mask, etc.) The cost of the personalization begins at \$5.50. Students have indicated that the personalization reduces the cost of theft.

If you choose not to personalize, skip this step and purchase your yearbook for \$40.00. There is a \$2.00 processing charge added at checkout for the processing fee.

2010 Yearbook:

Name: \$40
Personalization: add \$5
Indicate exactly how you would like
the name to appear:

(return this form with payment to the SHS athletic office)
