

Monday, October 24, 2011

Dear Parents/ Guardians:

I want to welcome you to the 2011/2012 Basketball Cheerleading season. My name is Leah Strejcek and I am the new head coach. I am looking forward to a great season with the girls.

Attached, you will find the rules that we will follow for this season. If at any time you have an issue that you would like to discuss, please do not hesitate to call or text me at (708)638-9675. You can also email me at [lstrejcek@kidsroe.org](mailto:lstrejcek@kidsroe.org). You will also find a game schedule and a tentative practice schedule. Please understand that, at times, we may need to adjust our practice schedule to a different time, or for a longer period. For the most part, I will make every effort to end practice by 5:00 p.m. every day.

I would ask that all necessary forms, insurance waivers, athletic fees, ect. have been submitted prior to our first practice. Your child will be unable to participate until that has been done.

On game days, in order for your child to leave an extra-curricular event, they must be signed out on the day of the event only by their parent or legal guardian. A sign out form will be provided by the coaching staff. Otherwise, the student will be expected to be transported back to school on the bus after the event.

The Sandwich School District does not allow students to ride with another person; or allow a note to be used to inform the coaching staff that the student is leaving the event with someone else. In addition to the district policies, I will have my own transportation procedures regarding travel including, but not limited to, asking for an athlete to ride to and from an event as a team.

Finally, academics are my number one focus. The continued support and encouragement of your student to be the best student athlete they can be is greatly appreciated.

Feel free to review the District's athletic handbook, located on our website at [www.sandwich430.org](http://www.sandwich430.org). Once again, welcome to the season.

Sincerely,

Leah Strejcek
