

SANDWICH INDIANS SPORTS BOOSTERS CLUB

Be a Sports Booster!

The Sandwich High School Sports Boosters, Inc. would like to invite all parents of Sandwich Community School athletes, and community members to become a Sports Booster, for the 2011-12 school year.

Sports Boosters is a not-for-profit organization of parents, teachers, coaches, administrators and community leaders who serve to support all high school sports at Sandwich High School. Sports Boosters work to enhance school spirit and provide financial support to improve the athletic programs. If your child is an athlete, cheerleader or pom/dancer at the high school, or will likely be one in the future, you should become a Sports Booster today and help raise money and volunteer to improve all of the high school athletic programs.

What Does Sports Boosters Do?

In the past, Sports Boosters have purchased thousands of dollars worth of equipment that the school's athletic budget could never afford. Some of the items include:

- New team uniforms for the poms/dance team and new warm-ups for the soccer team
- Laptops, video equipment, and choreographer for the competition cheer team
- Vital new IMPACT concussion detection system so our athletes remain safe
- Video cameras and DVD recorder/writer for coaches review, so our athletes can compete at higher levels
- Weights, tubing and outdoor batting cage for softball

Some recent larger capital purchases include two field tarps for baseball, weight equipment and exercise machines for all athletes to use, pit cover for the track team, online video/scouting software for the football team, a scoreboard for the wrestling team, and a basketball shoot-a-way. In addition money has been set aside for a new sound system for the football field. We also sponsor the Sportsmanship Awards at the three sports awards nights. We are proud to say that all sports teams have benefited from Sports Boosters.

Sports Boosters raise money through booster memberships (see back), food stand sales at the Sandwich Fair, concessions at football games, sale of Indian apparel, and through the Castle Bank Challenge. Sports Boosters spent more than \$25,000 to help our young athletes during the 2010-11 school year. **New this year will be two scholarships provided to Sandwich athletes (1 boy/1 girl).**

How Do I Become A Sports Booster?

You can join by choosing a Sports Booster membership category that suits you best and sending in your annual dues for the 2011-12 school year. Once we get your information, you will receive emails updating you on Sports Booster activities and invitations to meetings, which are held the first Wednesday each month, 6:30 p.m. at the high school. All parents and community members are welcome.

Sports Boosters also relies on parents and members to volunteer, serve on special committees, and help with the many events and activities held throughout the school year.

Sports Boosters Memberships

Individual Membership- \$20/year, benefits include “booster button,” thank you letter, car decal, one membership card, invitation to attend all booster club meetings and a 10% discount on Indian apparel.
