TO: Parents of Junior Athletes for the 2011-2012 School Year

Dear Parent,

JUNIOR PARENTS PLEASE READ THIS NOTE. We want to make you aware of a new program for the varsity athletes starting 2011 – 2012 school year. The Sandwich Sports Booster Club is providing a monetary scholarship for at least one senior female and one senior male athlete this year. One of the requirements to qualify for consideration is to be a Booster Member their senior year **and next year the requirement will be for them to be Booster Members for at least two consecutive years including their junior year.** All junior athlete families, who are thinking of playing a varsity sport next year, should take this opportunity to become a Sports Booster today, during their junior year.

The Sandwich High School Sports Booster Club needs your support of these young athletes. In the last five years we have spent more than **\$125,000** on our sports teams. The purchased items have helped the coaches and students be safer, stronger, and better able to compete in our conference. It is essential that we continue to boost the sports budgets to offer our athletes the best equipment to train and play.

Membership levels vary based on your family's situation. In the attached membership application form, it spells out the different levels and the benefits and cost associated to the membership. **Any** level of membership you choose starts the first qualification of making your student athlete eligible for next year's scholarship offering. Family and Parent level memberships have free passes to home events. And all memberships have discounts on apparel sold at our events. Please take this opportunity to help our student athletes and your student athlete by becoming a member today, during their junior year, so they may be eligible for the scholarship next year.

As a member of the Booster Club, you are invited to attend the booster meetings on the first Wednesday of each month, 6:30 p.m. at the high school. Your input is valuable and we encourage you to attend and get involved.

Thank you again for your support of the high school athletic program. We look forward to seeing you at upcoming events.

Sincerely,

Sandwich Sport Boosters Executive Board
