

SANDWICH CUSD #430

BOARD OF EDUCATION GOALS

2020-2021

- ✚ Support implementation of the District Return to Learn Plan including a collaborative learning system for staff to strengthen in-person/blended and remote learning options.
- ✚ Continue to enhance safety procedures throughout the learning environment.
- ✚ Foster the growth and development of each student by providing high quality educational resources to improve overall student achievement.
- ✚ Continue delivering programs and services that prepare students for college and career readiness.
- ✚ Monitor and enhance programs and services addressing social emotional learning.
- ✚ Maintain commitment to academic excellence to recruit, develop and retain high performing staff.
- ✚ Maintain a goal of fiscal stability and responsibility by managing budgetary needs of the district in order to support the academics, safety, health and wellness and facility usage of the staff and students.
- ✚ Incorporate technology as a tool for learning and community engagement.
