

## ERATE Form 470 #200012060 Meeting Questions

From the 10:00a ERATE Form 470 #200012060 meeting for questions and answers, the following questions were asked and answered.

1. Proposed route was discussed showing from a picture the district owned property and where the building entrance points are currently located at the Sandwich High School.
  - a. The grassy area to the North of the High School down to where the buses are parked is district-owned property.
  - b. The bus garage parking lot is a gravel lot.
2. Question: For leased-lit solution, do you have available SFP ports on your equipment? If so, what is the make and model?
  - a. Yes, we do have available SFP ports.
  - b. Equipment is HP/Aruba Networks 5412zIR chassis with available SFP ports on different cards.
3. Question: Do you have conduit entrances at both locations?
  - a. I would have to answer this as a No.
4. Map below shows a possible route between the 2 locations.
