

Our K-3 Elementary Schools: Lynn G. Haskin, Prairie View, and Woodbury, will be open for Kindergarten Registration on the following dates and times:

March 15, 2021-March 19, 2021
9:00 a.m - 3:00 p.m.

Parents/Guardians should register their children at their individual school. Registration Packets are available for pick up outside of the main entrances of each K-3 building.

There are 2 options for registering your child. **No Contact Registration or Face to Face Registration with Social Distancing Protocol.** To reduce the amount of traffic inside of our buildings and to support a safe environment, **we highly encourage no contact registration** if you are able to do so.

No Contact Registration: Parents/Guardians may send registration and required proofs via email (email listed on registration form). Pictures of documents are acceptable. We will require official hard & notarized copies by the first day of the 2021-2022 school year. Once received, a secretary will contact you to set up a Tyler account to complete online registration requirements.

Face to Face Registration with Social Distancing Protocol: This option is available for those with no internet or device for no contact registration. Parents/Guardians can stop in to register at their child's school during the scheduled hours.

We ask that you please do the following:

- Please be sure registration forms are filled out prior to coming to the building.
- We ask that only 1 individual comes in to register and that you abide by social distancing protocol.
- Including wearing a mask.
- We are sorry, but please no children.

If you have any questions or are having difficulty with registration please contact your child's school and leave a voicemail.
